“ Tim was my companion from 2005 to 2015. He will always remains in my heart forever. I ask God to please take away all the pain and hurt in my heart. Fill it with love,joy,patience and understanding. I love him and help him dearly with all my heart. We had a goal for 2015 and we wanted to travel to the ocean and go to California to see his family and friends but now he is in God hand. I will truly missed him and always be thinking of him. It hard to let him go but have to learn to except it. Love lives always in our heart forever. He care so much for his family and friends. Good friends are hard to come by and I still can't get over this.

*God please help me.amen*
